

Gilda Sneed has been with FKP Architects, Inc. as Administrative Assistant for 22 years with over 30 years of administrative and clerical experience in banking, construction, and architecture.

Gilda has been a member of SDA Houston Chapter since 2001 and is actively involved in **Can**struction and Co-Chair of the Education Committee. SDA offers a wealth of “invaluable” information to its members. Being a member of SDA has helped me to broaden my career and the networking opportunities are great!

Outside of the work place, Gilda looks forward to various Church activities and spending time with her family in Houston and Louisiana.
