

TRACY GRAHAM has been with FKP Architects, Inc in the role of Executive Assistant to the President and CEO since February 2000. My credentials includes 28 years of administrative experience from clerical, to mid-level, to executive level support through a variety of industries; energy; oil and gas; personnel and architecture.

I joined SDA in October of 2006 during Canstruction and have been actively involved ever since. Becoming a member of SDA has helped me tremendously in my professional growth. Not only have I obtained an abundance of information to apply to my field, but the opportunity to meet new people and network with a broad range of like professionals, is priceless.

When not pursuing professional responsibilities, I'm attending night classes at the local college working toward a life long goal to obtain a 4 year degree, and spending quality time with my family, Bobby, Melissa, Angela, Allison and Jordan.
