Canstruction® 2009

13th Annual Houston Design/Build Competition

**It starts with one can. To feed the hungry.
To lift the spirit. To change the world.**

Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. Over 230,000 Houstonians access hunger relief programs supported by The Houston Food Bank each month.

Join the Society for Design Administration as we endeavor to top the previously achieved highest donation of 102,000 pounds of cans students and professional build teams have acquired for The Houston Food Bank in the fight against hunger.
